HAMMAD ALI

FRONTEND DEVELOPER (REACT.JS)

Karachi, Pakistan | ch.hammad2914@gmail.com | www.hammad-shahid.vercel.app

SUMMARY

React.js developer with over 2 years of hands-on experience building and maintaining scalable web applications and ERP systems. Proven ability to lead frontend development, mentor junior developers, and deliver complex features under tight deadlines. Strong focus on performance, reusable components, and integration with backend APIs. Experienced in building modern UI modules like dashboards, inspection apps, time & action plans, dynamic excel report generator, and dynamic grids (Ag-Grid).

TECHNICAL SKILLS

React.js	JavaScript (ES6+)	RESTful APIs
Next.js	Node.js	WebSockets
TypeScript	Express.js	Redux

PROFESSIONAL EXPERIENCE

React.js Developer, Interactive Technologies Gateway **May 2023 - Present**

- Led frontend development for 7+ ERP and web applications, with 5+ active systems under solo management.
- Built a dynamic Excel Generator (Excel Genie), enabling fully customizable data exports with selectable columns, filters, and formatting; reused across multiple modules.
- Modernized 6+ legacy ERP systems to React.js, boosting frontend performance by over 80%.
- Delivered complex features like role-based dashboards, action plans, inspection apps, and integrated Ag-Grid tables for real-time data views.
- Developed 3 production-ready portals (OVM Vendor, Merchant, Synergies) with secure JWT authentication and RESTful integration.
- Implemented WebSocket support, optimizing real-time API response handling by 40%.
- Collaborated closely with backend team to design scalable frontend-backend contracts across 10+ modules.
- Contributed to React team standards, reusable components library, and UI consistency across systems.

EDUCATION

Bachelor of Software Engineering **Oct 2022 - Present**
Virtual University of Pakistan

Intermediate in Pre-Engineering **Aug 2019 - Aug 2021**
Guards Public College

ADDITIONAL INFORMATION

- **Languages:** English, Urdu, Punjabi.
- **Certifications:**
  - MERN Stack Development - Jawan Pakistan (2023)
  - Frontend Development - Jawan Pakistan (2022)
